Technical data sheet

Product benefits

REDFOX®

Toaster 2x holders		
Model	**SAP Code**	00004293

1 **All-stainless design**

only stainless steel intended for food contact is used

– absolutely rust-proof and non-magnetic design resists even weak acids easier compliance with hygiene standards (HACCP); easy maintenance and cleaning

2 **Run and warm-up light**

optical possibility to check the status of the device

– the operator immediately knows the on/off, heating/ non-heating state of the appliance

3 **Separate control for individual sections**

the possibility of a heating system separately

– greater variability of use

4 **Catch container for breadcrumbs**

breadcrumbs fall outside the furnace

– no crumbs falling off

5 **Removable back wall**

possibility to open the back wall of the device

– possible filling of the equipment by the operator

6 **Silicon heaters**

immediate onset of heat
intense radiant heat

– the device can be switched off even during the operating day

– toasted food vigorously and without overheating inside

– faster food preparation

7 **The tongs and grid are part of the standard equipment**

I can put the food on the grate or put it in tongs

– universally applicable equipment

– I can prepare different types of food using standard equipment
